

## CARDIOLOGY UPDATE 2018

### IMPROVING OUTCOMES IN PATIENTS WITH CORONARY AND PERIPHERAL ARTERY DISEASE – NEW FRONTIERS

Programme Director: **Prof. J.C. Kaski**, DSc, MD (Hons), FRCP, FESC, FRSM, FACC, FAHA  
Molecular and Clinical Sciences Research Institute - St George's, University of London

**Friday 2nd November 2018**

**Royal College of General Practitioners, 30 Euston Square, London NW1 2FB**

#### PRELIMINARY PROGRAMME

08:45 *Registration and coffee*

09:15 **Welcome and opening address** JC Kaski

**Session I - Drivers of cardiovascular risk – Chairs: JC Kaski and A Cohen**

09:30 **Patterns of macrophage activation driving atherosclerosis \*** R Choudhury

09:55 **Drivers of cardiovascular risk and treatment targets\*** A Cohen

10:25 **The importance of diabetes mellitus\*** P Grant

10:50 **The importance of platelets \*** A Ferro

11:15 *Coffee*

**Session II - Patient risk assessment and management – Chairs: M Fay and A Zaman**

11:40 **Lecture – The coagulation pathway: forgotten target for prevention of  
atherosclerotic events** B Hunt

12:05 **Case presentations – Discuss with the Experts – Breakout groups  
How to prevent cardiovascular events and disease progression in high risk patients**

*Chairs: A Zaman – M Fay – P Grant – J Uprichard – A Cohen – B Hunt – R Bulbulia –  
A Ferro – R Choudhury*

13:00 *Lunch*

**Session III - LECTURES – Chairs: JC Kaski and P Grant**

14:00 **Prevention of cardiovascular events in CAD patients – Tackling the  
coagulation system.** A Zaman

14:30 **Improving clinical outcomes in peripheral artery disease patients –  
New developments** R Bulbulia

15:00 *Coffee*

15:15 **MDT – Case based discussions**

Risk stratification and management – Whose task is it?

Conventional and novel strategies for risk management and event prevention – Stable CAD –  
ACS – Diabetes – PAD

*Chairs: A Zaman – A Cohen*

*MDT members: M Fay – P Grant – B Hunt – J Uprichard – R Bulbulia – A Ferro – R Choudhury –  
R Narain – A Panahloo – K Earle*

16:15 **Closing remarks and end of meeting** JC Kaski
